Subject: Boardable: Would Love Your Support In This Decision

Dear Board Members,

I'm excited to share a tool that I believe could make a significant difference for us: Boardable. After learning about it, I'm confident it can streamline our efforts, simplify collaboration, and keep us focused on our mission.

Boardable is designed specifically for nonprofits like ours. It offers a way to make our meetings more efficient, reduce preparation time, and improve communication—all while helping us stay focused on making an impact.

To learn more, I'd encourage you to watch this quick video. [You may also want to invite them to join the trial or provide more details on what the next steps are in the decision making process.]

Thank you for your commitment to improving how we work together. I'm looking forward to hearing your thoughts as we explore Boardable.

Best,
[Executive Director's Name]

This resource serves as a starting point for nonprofit executives to introduce Boardable to their board members. We encourage you to tailor it as needed to best fit your organization's unique needs.
